

NORFOLK AMATEUR RADIO CLUB

Asset Loan Service

The purpose of this arrangement is primarily to assist Shortwave listeners into the hobby and new licensees get on the air and/or enable club members to borrow various items for trial, evaluation or measurement purposes.

NARC provides the items listed below available on a loan basis under the following conditions:-

All items remain the property of Norfolk Amateur Radio Club.

The person borrowing these items will be fully responsible at all times for looking after them to ensure that they remain in good condition and protected against loss or damage. No borrowed item may be sub loaned to any other party and it must be returned to the appropriate club official responsible for this equipment at NARC at the end of the agreed loan period, or earlier if requested by NARC.

NARC accepts no direct or consequential liability in respect of the operation of the loaned equipment. If you are in any doubt about the correct operation of the equipment you must check with an NARC official before putting it into operation.

The period of loan will be nominally 3 months but will be agreed at the time of the loan, dependent upon the category of the equipment. Test equipment will normally only be loaned for a specifically agreed period.
